

BRISBANE PRIDE FESTIVAL

MEMBERSHIP

Brisbane Pride Festival started in 1990 as a means of organising and promoting public events and activities that contribute to queer culture. Brisbane Pride is now the state's largest and the country's third largest Gay and Lesbian event, attracting more than 50 000 Festival-goers over the month of June annually.

The Festival is a celebration of lesbian, gay, bisexual, transgender and intersex culture through arts, sporting, community and political events. Brisbane Pride Festival aims to bring lesbian, gay, bisexual, transgender and intersex people of Brisbane together and through the media, advertising and public visibility, their profile within the wider community grows.

Brisbane Pride Festival is an inclusive, community-based celebration run by Brisbane Pride Incorporated, a not-for-profit organisation operated by a voluntary board and committee, assisted by a trusty band of volunteers.

Become a member and be involved in your community – only with your support can we progress into the future.
